Junior - Senior Prom

A TIME

Juniors and Seniors journeyed through the courtyard to reach the zodiac atmosphere of the 1970 Prom held at GJVS on Friday, May 8, 1970.

Dancing was "A Time For Us" under the crepe canopy, set to the music of John H. Harner's Orchestra.

Refreshments were served in the adjacent room, by the sophomore girls.

Maybe next year girls!

BURGER BASH

Shovel it in, Camp!

The whole Bash was sponsored by the Campus Life Club. All in attendance were entertained by Chris Hess and Sue Turner, and of course, the "hot seat". There were many hamburgers devoured, gallons of Coke imbibed, and frolicking in the grass. The Bash was truly a success and we're all looking forward to next year's attempt.

HOMECOMING

October 8-9, 1970

As the clock ticked away the seconds before the pre-game activities, the candidates took their places in their chauffuer-driven cars for a memorable ride around the field. While the cars were taking the final turn to the home side, the melodious tune, "Crystal Blue Persuasion", filled the air.

The suspense of the crowd rose to a peak when the candidates were escorted onto the field. Rick Rasnic, Senior Class President and Joy Wright, Booster club President, proceeded with the crowning of the Homecoming Queen for 1970 - Carolyn Miller.

The "Big Blue Machine" came through again beating the Fairborn Flyers 32 to 12, making the Homecoming night a complete success.

The following night a dance was held in the girls' gym which was decorated around the theme "Crystal Blue Persuasion". Queen Carolyn and her court reigned over their loyal subjects as everyone danced to the music of The Ovations.

The 1970 Greene County Junior Miss Pageant was held by the Beavercreek Jaycees, December 5, 1970 at Beavercreek High School with sixteen of the best looking and most talented girls in the area. Each High School in the county was represented by their girl or girls. Xenia High was especially proud to have these six girls to represent them. From left to right they are Jane Williams, Beth Huston, Debra Dickens, Phyllis Rauch, Linda Johnides and Pam Walker.

VICA QUEEN

Lori Lindsey-Betty Crocker Homemaker

On December 1, 1970 the Betty Crocker Homemaker Exam was given to all Senior girls enrolled in home economics. Lori Lindsey scored the highest from among the participants from X.H.S. She now represents Xenia High School in state competition for Betty Crocker Homemaker of Tomorrow.

In October Rachel Horne was selected by members of the Vocational Industrial Clubs of America as VICA Queen of GJVS. She continued to regional competition and placed in the top eight. Queen Rachel has the option to continue to state competition representing GJVS and Xenia High School in the finest tradition.

THE MR. XENIA CONTEST

The Mr. Xenia contest is a new tradition at Xenia High School. It began two years ago when the cheerleaders came up with the idea to raise money for cheerleading camp.

Six candidates were nominated by the cheerleaders, their names put on cans, and the cans are displayed for one week. Any student could vote by dropping money into the can of his choice.

This year the six candidates nominated for the honor were; Greg Beams, Gary Gibbons, Dennis Johnson, Larry Noggle, Doug Snider and Bill McKinney.

On Friday, February 5, 1971 at the half time of the Xenia-Stebbins basketball game, which Xenia won 55-53, the title of Mr. Xenia was presented to Bill McKinney. The traditional crown and sword engraved with his name were also presented.

The Vocal Music Department each year reaches new heights of achievement. The Senior Choir presented three outstanding concerts during the school year. The first, entitled "The Changing Scene", was presented to a packed house on Saturday, October 24. The second concert was the annual Christmas program shown on this page. "O Come All Ye Faithful" was presented on December 22 and included highlights from Handel's "The Messiah". The last concert, was the yearly spring presentation and again proved to be excellent. The choir, under the direction of Gary Patterson, contains many outstanding vocalists who, together with the rest of the department, provide thrilling performances year after year.

'On Wednesday, December 2, 1970, the Youth Forum Panel appeared before an assembly for all juniors and seniors. The panel is co-sponsored by the Dayton Daily News and the University of Dayton.

The topic, "Student Attitudes and School Issues," was batted back and forth for one half hour by the panel members. Then, in an extended question and answering period, the audience responded with many thoughtful comments. The panel at Xenia was termed the "best of the year" by the Youth Forum coaches.

This year Xenia High School is fortunate to have a regular member on the forum, Paul Salomon. Paul is 1 of 10 members selected from 134 nominees from 67 area high schools. This is the 3rd time in 15 years that a senior from Xenia has been chosen.

Martha Hadeler

The Trophies

First place was among the three trophies that the Buccaneers were proudly brandishing upon their return from the Waynesville Drill Team Competition on January 30. "Best Spirit" and "Best Uniformed Unit" also became Buccaneer property, at the second contest in which they had ever competed. The week after, on February 6, the Drill Team won a fifth place trophy at Stebbins from among twelve competing teams.

Consisting of 25 members, the Buccaneers entertain fans at home basketball games and performed with the marching band at football games this past season.

On March 7, 1971, junior Martha Hadeler left for her trip to Nagoya, Japan, where she is to spend the year with the family of Dr. Michio Kachi as an American Field Service student. In San Francisco, Martha met with other AFS students going to the Orient.

Martha will spend two weeks on a course in the Japanese language, before entering Nanzan School, a Catholic girls school. Martha will return to XHS in March, 1972, to finish her senior year and graduate.

Martha, who has been very active in AFS, is the first representative from XHS to receive a foreign assignment.

WHAT IS A COACH?

A coach is a guy who exhausts you with practice and rarely gives you one moment of peace. He screams at you for all your mistakes, but recognizes each of your smallest accomplishments.

A coach bandages your wounds with a lick and a kind word, then sends you out to play in spite of them.

A coach is someone you hate during the week and love after a victory. The coach is the last person you would turn to, yet he usually ends up hearing your problems and giving you a knowledgeable word of advice.

A coach louses up your love-life when he tells you the big event is the night of the prom, and teases you about your latest flame.

A coach shares your joys, your fears, your thrill at winning and your humility at defeat. He rarely remains an outsider in your life---and to him goes the respect of all his "men."

Someone who sews your uniform 2 seconds before the game begins.

....the nice guy that doesn't notice that you forgot your socks.

Someone who gives you an encouraging smile.

Someone who keeps the faith all season long.

The Battling Bucs, loaded with experienced talent, rolled to a fine 8-2 season record and tied for second place in the W.O.L.

After romping over Washington C.H. and Fairmont East, the Bucs were upset by Troy 24-20. The Big Blue roared back with five straight victories including Beavercreek. Fairmont West beat Xenia and the Bucs closed out the season with a muddy 12-0 victory over Springfield North.

Senior quarterback Doug Snider, behind a strong offensive line, broke all school passing records while the "tough" Buc defense held opponents in check.

Dedication, fine sportsmanship, and good coaching produced another successful Buccaneer football team.

DOUG

ADAMS

DAY

Former Xenia High and Ohio State football star Doug Adams was honored at a banquet held February 16, 1971, in the Girls' Gym.

Tom Stephenson, Doug's head coach at Xenia High, acted as Master of Ceremonies.

Lou McCullough, Defensive Coordinator for the Ohio State Football Team, was the guest speaker.

Xenia Mayor James T. Henry presented Doug with a key to the city and proclaimed February 16, 1971, as "Doug Adams Day".

Reuben Holcomb, a long time Xenia fan and owner of Harners Electric in Xenia, presented Doug with a recognition award from the State Legislature.

Robert Crawford, a Kiwanis Club member, presented the "Distinguished Citizen Award" to Adams.

Principal Walt Marshall retired jersey number 51, the jersey which Doug wore as an All-American at Xenia High in 1967. This blue jersey will be hung in the school's trophy case.

Norm Aukerman, Doug's former coach and now Assistant Principal at Xenia High, presented Doug with a \$400 shotgun which was made possible by the 300 people who purchased tickets to the banquet.

Doug Adams attended Xenia High from 1964 through 1967. He was a good student and participated in football, basketball, and track. He was named All-Ohio and All-American along with many other football awards which he received. Doug also starred in track as he placed second in the shot put at the 1967 State Track Meet.

The All-American accepted a football scholarship to Ohio State University where he started at defensive linebacker his sophomore, junior, and senior years. The 6 ft., 215 pounder was defensive captain his senior year and led his team to its second Big Ten Championship and Rose Bowl trip in three years.

Doug Adams will continue his football career next season with the Denver Broncos of the National Football League.

The Xenia High Varsity Basketball Team finished the season with a 9-10 record including a 4-5 mark in the WOL.

Forwards Doug Snider and Bob Keller led the team in scoring with 22 and 16 point averages respectively. Guards Terry Rose and Charlie Greene were the playmakers and made the fast break go. Center Steve Muterspaw was a top rebounder.

Seniors Joe Beam and Dave Boyer, along with underclassmen Don Guyton, Roger Carter, Steve Key, Bill Lewis, and Stan Lane played vital roles as substitutes.

Senior Doug Snider ended his career by winning the Greene County Scoring Championship and ranks 5th among the all-time Xenia High scoring greats.

Senior Bob Keller set a modern day Xenia High scoring record with 40 points against Wilbur Wright.

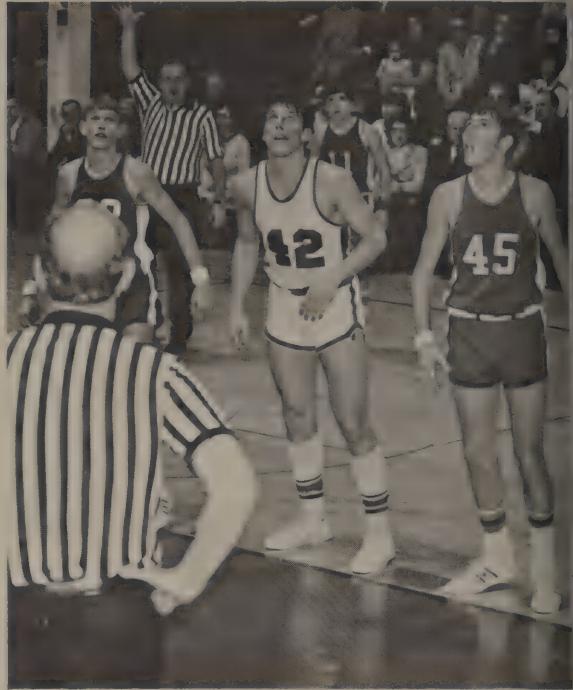

Senior managers Jim Liddle and Terry McFall ended three years of devoted work to the schools' basketball program.

With six team members returning next season and a 17-1 reserve team moving up, Coach Barton will have another exciting ball team next year.

17 WINS 1 LOSS

Coach Anderson's young Bucs captured the W.O.L. Reserve Championship with a perfect 9-0 record and rolled to a fine 17-1 season record.

Hard practices, team play, and the desire to win, made these young men into one of the finest reserve teams Xenia High School has ever had.

With these dedicated athletes moving up to the varsity team next season, Xenia should have a basketball powerhouse.

It was a year of both surprises and disappointments, but the wrestlers kept hopes high and determination strong. For the Xenia High wrestling team the year began at a fast pace. They did surprisingly well in their first two tri-meets and won the Xenia Invitational Tournament, first in XHS wrestling history. From that peak things took a steady down-slide. A slump had stuck and Xenia couldn't get out of it.

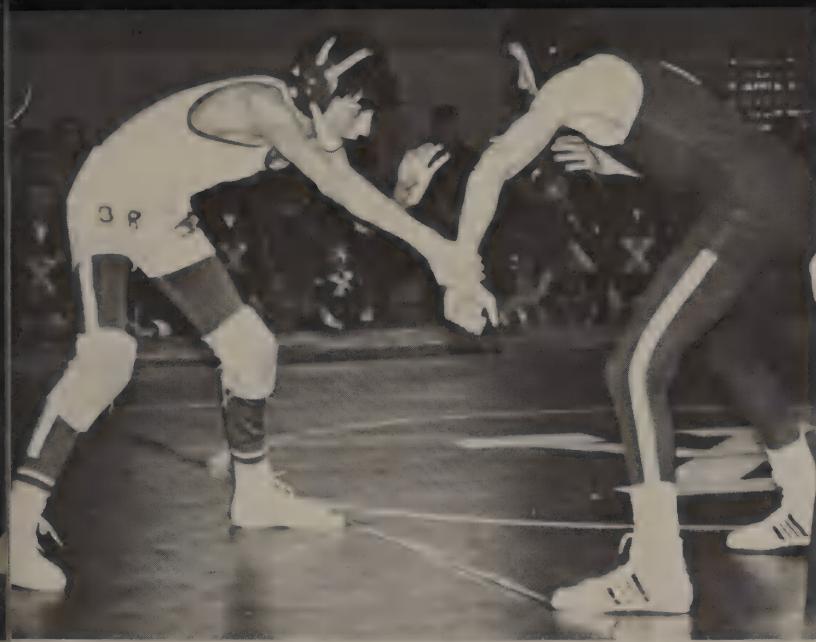

Next year the Xenia Wrestling Team will be without some of their top wrestlers. Seniors Dave Martin, Tom Haines, Gary Stidham, Bill McKinney, Dave Eldridge, Bill Trubee and Walt Sellers lead the squad in both victory and defeat and their leadership and spirit will long inspire XHS wrestlers.

GREENVIEW INVITATIONAL TOURNAMENT

Xenia 31	-	Greenview 21	(W)
Xenia 36	-	Miami Trace 24	(W)
Xenia 31	-	Woodrow Wilson 40	(L)

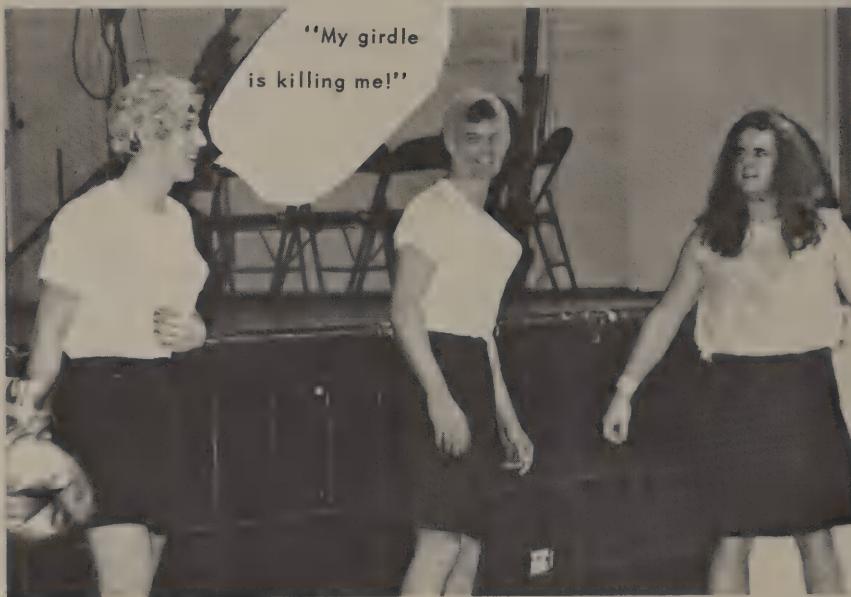

On February 20, 1971, old time Xenia basketball fans got an alarming exhibition of quality basketball. The second annual Varsity X vs. Coaches game was a repeat performance with the undefeated Coach Flossie Horne and her misfits emerging as the 77-51 victors over the hapless Varsity stars. The spirit ran high all week and was brought to a fever pitch by the two cheerleading squads and pep bands. Between the strains of "The Old Gray Mare," the faculty fight song, and the traditional XHS cheers, arose catcalls and whistles as Snider's Follies hit the floor.

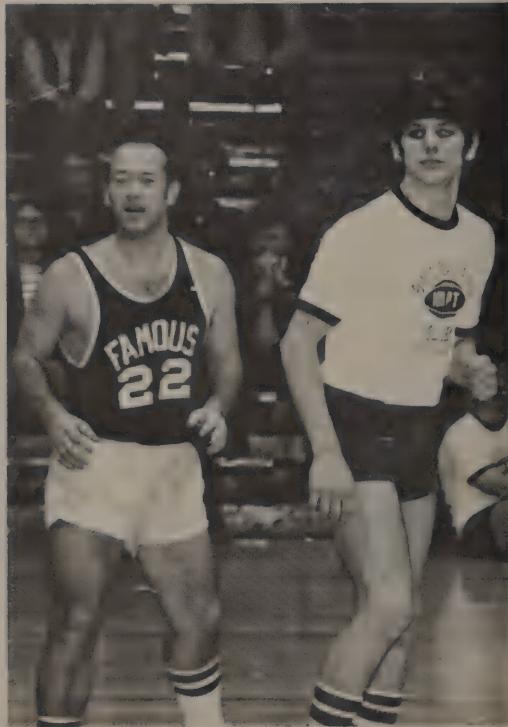

To the Coaches a hearty congratulations is in order and to the Varsity X, well, there's always another year and another and another.....

VARSITY X VS. COACHES

The Real McCoy!

"Foul? Why I'd never do a thing like that!"

The Striper!

"Oh, how sweet it is!"

"Oh gee, we're
only 28 points ahead!"

"There, there. It'll be alright."

"I wish I may,
I wish I might . . ."

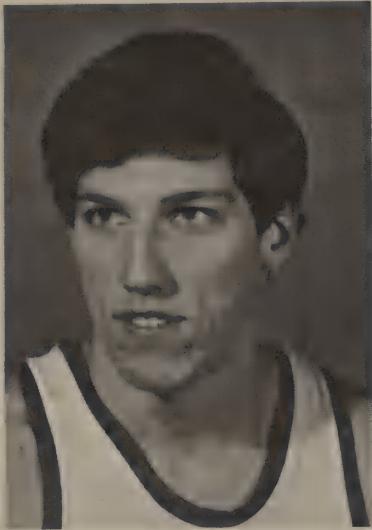

"And they say we cheat!"

"I don't believe it."

An old man traveling a lone highway,
Came at the evening cold and gray,
To a chasm vast and deep and wide,
Through which was flowing a sullen tide.
The old man crossed in the twilight dim,
The sullen stream held no fears for him;
But he turned when safe on the other side,
And builded a bridge to span the tide.

"Old man," cried a fellow pilgrim near.
"You're wasting your time in building
here.
Your journey will end with the closing
day;
You never again will pass this way.
You have crossed the chasm deep and
wide,
Why build you this bridge at even-tide?"

The builder lifted his old gray head;
"Good friend, in the path I have come,"
he said,
"There followeth after me today
A youth whose feet must pass this way.
This stream which has been as naught
to me,
To that fair-haired youth may pitfall be;
He, too, must cross in the twilight dim.
Good friend, I am building this bridge
for him."

STUDENT COUNCIL HISTORY

This year the Student Council undertook a large and difficult problem, trying to meet the wishes of the administration, faculty, and students and combining them to benefit all. The union of these people is what can make or break a high school.

Student Council's projects for this year included the use of vending machines, after-game dances, exchange of Student Council members from other schools, and the relaxation of our school dress code. All of these projects were made successful because of the backing of our student body.

This year the Student Council feels that it has modernized itself in an effort to try and encompass a better exchange of feeling in Xenia High School. This was a difficult job for the officers to handle, but they were able to accomplish it.

These fine leaders helped to mold this year's Student Council into a fine, student body form of government which gave the students of Xenia High a much better understanding of our school life and its functions.

EXCHANGE
STUDENT**

John Newman, Xenia's fourth A.F.S. student, added an interesting foreign touch to Xenia High this year. John is a native of Cape Town, South Africa.

He is an active member of several clubs, including A.F.S., Hi-Y and Drama.

The entire student body and faculty warmly welcomed John Newman into their lives and profited tremendously from the cultural exchange between John and the community. This was an experience the student body will not soon forget.

"DR. JECKEL AND MR. HYDE?"

Seniors

Our bridge of yesterday is gone.
We vaguely see tomorrow's one.
Our troubled waters soon will be
Nothing to us but a memory.

1971

SENIOR CLASS

Senior Class Officers: Betty Mosier, Student Council Rep., Mrs. Winona Smith, Advisor, Andy Warner, Vice-Pres., Rick Rasnic, Pres., Gary Thrasher, Treas., Mr. Jan McPherson, Advisor, Linda Johnides, Secty.

CLASS HISTORY

We, the Class of 1971, entered Xenia High School as apprehensive sophomores. Being new in the school, we joined clubs, participated in the athletic and music programs, and tried to find a place in the student body. We elected class officers who led us in our first class project, maintaining the coat check at all home basketball games. Many members of our class were active in the band and traveled to Columbus and to Cleveland during a February week-end band tour. The most exciting event of the year was ordering our class rings. Our fine reserve basketball team shared the W.O.L. title, finishing with a 7-2 record. In April many of us took part in the musical sponsored by the combined music departments entitled, Finian's Rainbow.

After two weeks of our junior year had sped by, we received our long-awaited class rings. At all of the home football games, members of our class showed their spirit by working in the concession stand. Our varsity football team, the Big Blue Battle Machine, won the W.O.L. championship in this 1969 season. Around Christmas time we decided to sponsor the annual Snowball Dance, which was entitled "Snowflake Fantasy." The dance was originally planned for December 23, 1969, but had to be postponed one week because of a sudden snow storm. During basketball season, it was the responsibility of the Junior Class to open and have charge of the concession stand at home games once again. For the first time in Xenia High School's history, the Buccaneers, the newly-formed girls drill team, performed during the half-time of most home games. On March 17, 1970, after many long weeks of practicing, the junior class play was presented. Learn, Baby, Learn was enjoyed as much by the participants as it was by the audience. For the Junior Class, May was by far the busiest month of the year. On the first week-end, the musical, South Pacific, was given by a fabulous core of actors and musicians. May 8, 1970, was the evening of the Junior-Senior Prom. The theme of the prom was "A Time for Us." as in the past, the Junior Class was in complete charge of all of the arrangements that go along with a prom. The following weekend brought with it the exciting experience of the Senior Choir Tour in Flint, Michigan. All of the class members that were involved with this trip are sure to have happy memories of enjoyment and friendships made.

As seniors we have numerous things to look back upon. We got a first glimpse of what graduation is all about when we ordered our announcements and senior keys. Worth remembering in this year was the changing of the dress code. This accomplishment is to be credited to the Student Council who had convincing aid from interested administrators, teachers, and students. Our Battlin' Bucs Varsity Football Squad finished its season with an 8-2 record and in a tied second place position in the W.O.L. The season was highlighted on October 9, 1970 by a Homecoming victory over the Fairborn Flyers. "Crystal Blue Persuasion" was the theme of the Homecoming Dance held Saturday, October 20, 1970. David and Lisa was presented by the Drama Department on November 21, 1970. In the beginning of December, vending machine's were installed in the cafeterias. This also was an accomplishment of the Student Council. On December 5, 1970, our class was well represented in the Greene County Junior Miss Pageant by six girls. On January 30, 1971 the Drama Department again thrilled the audience with an original rendition of Winnie the Pooh.

The years, all three of them, have passed by too quickly and now we have completed our last year of our first step across the bridge over troubled water. Some will find the waters rough, but others will easily overcome the challenges that sail into the course of their lives. No matter what happens, we will all have the memories of these past three years to look back upon.

Once again we are apprehensive to meet the life that lies ahead, but for the moment we feel regret at this closing out of our years at Xenia High School.

"Memories, memories, memories,
Graduation will soon be here,
As we near our closing year.
Happy memories of days gone by,
That we shared at Xenia High.
Teenage dances were so much fun,
Football games we lost and won,
Frisch's drive-in was do or die.
They're all part of Xenia High.
Meeting in hallways between each class,
Walking home after school,
All the exams we didn't pass,
The teachers we could never fool,
High school picnics and Honor Day
Filled with happiness all the way.
But in secret our hearts will cry,
On the day we say good-bye
To Xenia High, Xenia High."

Underclassmen

Yet whenever I cross the river
On its bridge with wooden piers,
Like the odor of brine from the ocean
Comes the thought of other years.

JUNIOR CLASS HISTORY

The great Class of "72" has had a very wonderful two years at Xenia High, and are expecting another great year as we move along to become Seniors. In our past two years, we have had many experiences of growing up.

In coming to this new school, we were heading for a tremendous shock. After a whole year of being "boss", over the youngsters at Jr. High, we were faced, again, with the problem of "upper classmen."

As Sophomores, we inherited the responsibility of the coat check. This was our main money-making project. At the end of our year as sophomores, we received our class rings. On this very happy day, the teacher's were having an awful time of keeping students minds on school work. We were all to pre-occupied with the "sparkling" of our new rings.

As Juniors, we have been very busy keeping the concession stand going. Having to work both football and basketball season, we have not had time for any other money-making projects. We are making this money to sponsor the one-and-only Junior-Senior Prom, which will be held in May.

We are all looking forward to becoming seniors, so no one can give us a hard time about being "under classmen."

SOPHOMORE CLASS HISTORY

The Class of '73 has had a rewarding first year of happiness and experience at Xenia High. Our class is one of youth and filled with spirit and drive.

The Sophomore Class was approached with two tasks to accomplish upon their entrance to Xenia High. These tasks were: the management of the coat and hat check at the home basketball games and the ordering of our all important class rings. We accomplished these tasks with pride greater than the size of our 665 student body.

The overwhelming spirit of the sophomores helped boost "Spirit Week" by the decorating of the halls of the B-section.

We have undergone hard times from the "Upper Classmen", but we are also thankful for the help they have given us.

It was a great year and we hope that through our efforts we have helped make Xenia High a little better.

Girls' State Delegates

During the week of June 13-21, 1970 Xenia High School was represented by three senior girls at the annual Buckeye Girls' State. This year's Girls' State was held on the campus of Capital University in Columbus, Ohio. Its purpose was to expose young women to their rights and responsibilities as citizens, by actually operating a mock government on the city, county, and state levels.

The American Legion Auxiliary promoted the program involving 1,258 girls from the entire state. The delegates from Xenia were sponsored by the Xenia Chapter of the Business and Professional Women's Club and the Nike Club of XHS.

Boys' State Delegates

Joe Beam, Doug Snider, Dennis Johnson, Dave Boyer, Greg Beams
Buck McKinney, Kevin Manley-Alternates

19■

The campus of Ohio University in Athens, Ohio was the sight of the 1970 Buckeye Boys' State. During eight days, beginning June 18 and ending June 26, young men from all parts of Ohio learned about the functions of their state government. The program began with a mock state convention, leading to vigorous campaigns and ending with an election and the appointment of officials. Both the Republican candidate for governor, Roger Cloud, and the Democrat candidate, John Gilligan, spoke at Boys' State.

The event was promoted by the American Legion with Xenia's five delegation being sponsored by both the Foody-Cromwell and John Roan Posts, in addition to the Kiwanas and Rotary Club.

OUTSTANDING HONORS

Angela Callender and Greg Beams receive Optimist honors for their merit achievement.

Junior Miss Pageant

Sophia Huston received 3rd runner up and Linda Johnides received scholastic honor

Jane Marshall receives the LaSertoma Youth Service Award.

Bridge Over Troubled Waters

To Make the Best Better

The year has ended and with it our high school career. Like a Bridge Over Troubled Water our memories and experiences of these past years will lead us on to greater heights. We all have striven to overcome the turbulence and indecision of our high school days during a confusing time. Our dreams and aspirations, whether realized or dashed against the rocks, have helped mold us into what we are. Now we have crossed the bridge and we pass on into the unknown, awaiting another Bridge Over Troubled Water.

We, the staff of the 1971 Xenian, feel that we have met a standing challenge to create a greater Xenian. We have done all in our power to make it a tribute to the graduating class of 1971. We would never have been able to make the 1971 Xenian a success without the aid of many people, not the least of whom are the annual and sponsor salesmen. To Mr. Art Cox we offer our sincere thanks for taking and producing many of our photographs, and to Mrs. Hagler, our business manager, we offer our heart felt gratitude. To Mrs. Nickell, our Vari-typist, we give untold thanks for her many hours of hard work. Our greatest appreciation we wish to bestow on Mr. Miracle for leading us with unselfish devotion and lack of personal discomfort. The assistance of these dedicated people helped us reach and, perhaps, surpass our goal.

As editors of the 1971 Xenian, we again challenge the 1972 annual staff to make the 1972 Xenian even greater than before and to reach this goal we wish the best of luck.
